Precision Plated Grinding Wheels for Tool and Cutter Grinders

## Cuttermasters Face Wheels

Our precision plated CBN and diamond face wheels are great for grinding tools with wide faces like countersinks or large drills. The five inch face wheel fits in CUTTERMMASTER wheel guard. Both are recommended for the Tradesman and Cuttermasters Countersink grinding kit and large drill grinding attachment.

6" Face Wheels: 6" Diameter X 3/4" Width X 1-1/4" Arbor, with 1-7/8" face plating.

5" Face Wheels: 5" Diameter X 1/2" Width X 1-1/4" Arbor, with 1-1/2" face plating.
