

## X-Axis Extension Kit

### JX-XAE

Increase the maximum flute length of your tool grinder with the JX-XAE *x*-Axis Extension Kit. By mounting the stylus to the motor, and extending the *x*-axis way, long flute lengths are achievable. This kit includes the JX-Riser and requires the Journeyman motor (or JX-upgrade), which unlike the original CUTTERMASTER motor, can pivot.

Use with Riser
