

Tradesman Belt Attachments

T-B36, T-B48, T-B448

A truly powerful variable speed belt/grinder

In the world of belt sanders / grinders there are few that are really different. We designed the new belt attachment to fit both the Tradesman 8\" and 6\". For the ultimate there is the new Tradesman Belt on the 6\" Machinist platform. It is truly infinitely variable speed and very quiet.

For part deburring it is a dream come true with loads of options for sharpeners and standard quick-set tool rests. Mult positions available with reverse, 400 to 4000 rpm. Tradesman Smart Platens are machined square and engineered for superior burr minimization and removal.

Speed / Torque Compensation / Directional Control
5 x more powerful than any grinder in this class
5 ft-lbs at 1000 RPM

Engineering and Prototyping - 2353 Ridgcrest Place, Ottawa ON K1H 7V4
