

# Tradesman 8 BOW Sharpeners ~ Woodturners Belt Over Wheel

This is the Tradesman 8" DC Variable Speed Bench Grinder with the Belt-Over-Wheel Belt Sanding Attachment (reverse available). This belt attachment uses Cuttermasters' 8" x 1.25" grinding wheels as the drive wheel. This allows you to quickly change grits — rough to polish — without changing your setup. Grind anything – variable speed – variable grit. Use your Wolverine and Tormek jigs.
